What Does The IE Mommy Think?:

Too cute! Grab your little one and a yummy cup of hot chocolate and join [Wubbzy](#), [Widget](#), [Walden](#), [Daisy](#) and friends on a fantastic new adventure just in time for Christmas.

Wow Wow Wubbzy is one of my favorite cartoons to watch with kids. Wubbzy is loving, inquisitive and sensitive all at the same time.

The weather is changing and the winter season is starting...[Wow Wow Wubbzy – Christmas Adventure](#) will make a perfect addition to your family library.

My girls want to watch this DVD the moment they wake up and right before they go to bed...I think it is really putting them in the mood for Santa and Christmas.

Wow Wow Wubbzy [Christmas Adventure](#) demonstrates all the joy in being a kid and anticipating Christmas no matter the situation.

We love you Wubbzy!
