

Wubbzy Craft Projects

Jan. 2009

Wubbzy Finger Puppet

Materials:

- Scissors
- Small sheet of black paper
- Stiff yellow paper, like thick construction paper
- Markers or crayons

Directions:

1. Print out the downloaded Wubbzy pattern onto the stiff yellow paper
2. Cut out the finger puppet and cut finger holes where the feet are
3. Decorate puppet with crayons or markers
4. Cut two ovals out of the black paper to make the eyes, and one larger oval for Wubbzy's nose.
5. Glue eyes and nose onto the puppet
